SLC ONE 360 DTW R68-83 BL 440TED 1800-3000K CRI90 IP44 36°

One 360° is "a jack of all trades" downlight for all types of installations. If you could only choose One downlight, the One360° would be your best choice. You can't go wrong with a semi-recessed high end LED chip together with tilt/ rotate, iso safe design, flexible cut-out hole and low installation depth. The One 360° thrives just as good in a cornice in the Norwegian mountains as in a warm and cosy living room.
